High School – What do I need to know?

Information Evening on Wednesday 13th March 2013

All parents are invited to attend our information evening on – Wednesday 13th March
HIGH SCHOOL – What do I need to know?

Choosing a secondary school for your child is an important decision. As our school is increasingly receiving requests from parents for additional information, we will be holding a specific evening to address your questions and concerns.

It is never too early to start looking and asking questions regarding high schools. Therefore, all parents, (especially parents of Years 4-6 students), are encouraged to attend.

By working together as partners in your child’s education, we can develop the skills they need to become successful learners.
