Welcome to another addition of 'Le Parent'. This newsletter provides you with news & highlights from in and around the school community.

Change of date: The next P&C meeting has changed dates and will now be held at 7pm on Wed 15th August. The meetings are very informal with discussions based around a wide range of issues. All members of the school community are encouraged to attend and it is always great to have fresh opinions and ideas.

I am sure you are all aware these last few months have seen the construction of some new fencing around the school’s playground. The construction of these fences has been something the staff and parents have been discussing for some time now and it is great to see, with the help of some fantastic fundraising, the construction of these fences.

Hopefully you would also have noticed the new entry/exit gate next to the driveway leading into the staff car park.

The entry to the car park is 'OUT OF BOUNDS' for all parents/students and I would like to ask you to instead please use the new entrance. We are still to complete the concrete path, from the gate to the playground, but this should be completed soon (if you can help with the construction of this path please give me a call on 0419273659).

We are hopeful that with the completion of this project we will no longer see parents or students use the driveway as an entry/exit point. I must reiterate that child safety is very important to the P&C and as such it is essential that we all use the correct entry and exit points. It is also very important that we demonstrate to the children of BLSPS the correct way to enter and exit the school safely. The staff car park at our school unfortunately runs right through the middle of our school and should at no time be used for a quick entry/exit point. Set the right example for your child.

Lastly we have one of my favorite fundraising events (fathers day!) almost upon us and the ladies have been frantically working making sure the raffle is organised and we have enough fantastic presents for all the lucky dads. We do however always need help on the day of the stall. If you would like to help please give me a call or just turn up on the day and make yourself known to either myself or one of the other P&C Executives.

Our school operates the Munch Monitor system in the uniform room and canteen.

**It is really easy!**
Simply follow the directions below.
Go to:
www.munchmonitor.com
Enter Username: blsp
(new users)
Enter Password: munch2216
Click the ‘sign up’ button and follow prompts.

Go into the Canteen section to see all the great things that our Healthy Canteen offers, and place lunch orders that will be taken direct to your child’s class at lunchtime!

Go to the shop section for a full list of items available in the uniform shop.

Again, all orders will be delivered to your child in their class.

For your convenience school hats are always available to purchase from the canteen.

*If there are any parents that have an hour a week that they can spare, we are always in need of helpers in both the Uniform Room and the Canteen Contact Blair 0419 273 659*

---

**Fathers Day Stall and Raffle**

Fathers Day is fast approaching and as usual BLSPS will have a beautiful array of gifts for your Dad. All gifts are new and cost between $3—$12. Parent helpers will be needed on the day, August 29th for set up and sales. Please contact **Blair 0419 273 659**

Also, we ask that unless you are there to help with set up, please do not come into the North Hall with your child before class. Allow them the experience of doing their ‘own’ shopping. It is a wonderful experience for them and they really get a lot of enjoyment from it!

Don’t forget to return your Fathers day tickets by August 27th.

Sold or unsold ticket **MUST** be back by this date. Any tickets returned after the closing date will go in the next raffle (Note: prizes will not be the same)

---

**Make a note**

**UPCOMING EVENTS**

**AUGUST**
- Fathers Day Stall 29/8/12
- Fathers Day Raffle

**OCTOBER**
- Disco

**P & C MEETINGS 2012**
- 15th August
- 12 Sept
- 10 Oct
- 14 Nov (AGM)

**Helping Hand**

If you have a morning or afternoon free (even just once a month) pop past the canteen and join the friendly team.

Christine is always in need of extra help and your child will love you serving them at recess!
